SUMMARY

A results-driven Computer Science student with hands-on experience in **SQL Development, and an emerging interest in AI-powered analytics and automation.** Actively exploring applications of GenAI, ML, and data-driven decision systems. Skilled in **data transformation, data modeling, and dashboard creation** using Power BI, Excel, and Python. Adept in statistical analysis, data visualization, and entity-relationship design. Seeking a challenging data analytics or engineering role where I can contribute to data-driven decision-making and strategic insight generation.

- EDUCATION**
- Bachelor of Engineering:** Computer Science & Engineering
MBM University, Jodhpur, Rajasthan (2023 - 2026)
 - Polytechnic Diploma :** Computer Science & Engineering (9.83 CGPA)
Birla Technical Training Institute, Pilani, Rajasthan (2020 - 2023)

- PROFESSIONAL EXPERIENCE**
- SQL Intern (Data Analytics):** Celebal Technologies (June 2025 - August 2025)
 - Built SQL Server-based data solutions involving complex joins, CTEs, PIVOT, UNPIVOT, and window functions.
 - Designed schemas, stored procedures, error handling routines, and data validation flows for robust reporting.
 - Android Development Intern:** Defence Labs, DRDO, Jodhpur (June 2024 - July 2024)
 - Developed a secure quiz app in React Native with custom UI/UX designs built using Figma.
 - Integrated modular subjects, hint system, and score tracking for enhanced engagement.
 - Networking Intern:** Bharti Airtel Limited, Chandigarh (June 2024 - July 2024)
 - Acquired hands-on experience in telecom operations, analyzing network architecture, and optimizing coverage.
 - Designer Head:** IETE Student Forum, Pilani (June 2022 - May 2023)
 - Led design initiatives, created visual branding for events, and developed engaging digital content to enhance student participation.

- SKILLS**
- Languages & Programming:** Python (NumPy, Pandas, Matplotlib, Seaborn, BeautifulSoup), SQL, C, C++, HTML, CSS
 - Data Tools & Visualization:** Power BI, Tableau (Basic), Excel (Advanced), Power Query, Power Pivot, DAX
 - Data Engineering & Reporting:** MySQL, SQL Server, SSMS, ETL, ER Modeling, Report Automation, KPI Dashboards
 - AI & Emerging Technologies:** Generative AI, Prompt Engineering, OpenAI API, AI-assisted Content Generation, Basic ML (Scikit-learn)
 - Soft Skills:** Attention to Detail, Communication, Team Collaboration, Time Management

- COURSES AND CERTIFICATIONS**
- Google Data Analytics:** Coursera (Present)
 - Data Analytics Virtual Simulation:** Deloitte Australia (2025)
 - Data Analytics:** WSCubeTech (2025)
 - Introduction to Networking:** NVIDIA (2024)
 - SEO with Squarespace:** Coursera (2024)
 - CyberSecurity Basics:** IETE Student Forum (2021)

PROJECTS	Classic Automobile Sales Dashboard: B2B Sales and Inventory Performance Insights <ul style="list-style-type: none"> Built an Excel dashboard using Power Query, Power Pivot, and DAX to analyze B2B sales, revenue, and customer segmentation for a classic automobile business. Tools Used: Excel, Power Query, Power Pivot, DAX 	
	Maven Market B2C Analytics Dashboard: Customer Demographics and Store-Level Insights <ul style="list-style-type: none"> Created Power BI dashboards to analyze customer demographics, sales trends, and product insights across regions using DAX and unified data models. Tools Used: Power BI, Power Query, Power Pivot, DAX 	
	Personal Portfolio: Showcasing My Work & Skills <ul style="list-style-type: none"> Developed a responsive portfolio to showcase education, experience, and skills with smooth navigation and cross-device compatibility. Tools Used: HTML, CSS, Javascript, Figma 	
INDEPENDENT WORK	VakalatSikho: An Online Legal Platform <ul style="list-style-type: none"> Founded and developed a legal ed-tech brand from scratch, handling design, content strategy, SEO, and platform growth to deliver practical courtroom-focused learning. Tools Used : Adobe Illustrator, Figma, Wordpress 	
	GyaanMekhla: Educational Brand Identity <ul style="list-style-type: none"> Crafted a cohesive brand identity with custom visuals, logo, and educational content to ensure consistent cross-platform branding. Tools Used : Canva, Figma 	
	CoffeeHouse: Local Café Branding <ul style="list-style-type: none"> Delivered complete branding solutions including logo design, menu cards, advertising creatives, and interior visual concepts for a strong offline identity. Tools Used : Canva, Figma 	
VOLUNTEERING	Graphics Team: Encarta'2024, MBM University <ul style="list-style-type: none"> Created promotional media and event graphics to elevate brand presence during annual fest. 	(March 2024)
	Management & Graphics Team: KheloMBM'2024, MBM University <ul style="list-style-type: none"> Managed logistics, guest handling, and promotional content for sports and cultural events. 	(January 2024)
	Open House Management Team: TechKriti'2023, MBM University <ul style="list-style-type: none"> Facilitated campus tours and led student interactions during open house exhibitions. 	(September 2023)
